BUILDING UPDATE

The new senior block is now starting to take shape. The children have been brightening up the plain white hoarding by painting murals.

ESSEX LIBRARIES

Sensory walls have been installed at Chelmsford and Basildon Libraries. The walls feature an activity panel, a sound-activated infinity tunnel, an LED light panel that reacts to touch and noise, animal sounds, mirrors and an interactive video floor. In addition, staff in all Essex libraries have received training in autism and will be working with parents to ensure the libraries are autism friendly. They would welcome your feedback which can be completed online.

PTFA FAMILY QUIZ NIGHT

Tomorrow is our PTFA Family Quiz Night here at Grove House at 5pm. Please bring

your own drinks and snacks. Thank you so much for supporting our PTFA.

SCIENCE EXPERIMENTS

In Science the pupils have been learning about tooth decay and what effect different types of drinks have on their teeth. They conducted experiments to find out how much decay the drinks caused on egg shells. It was very interesting and everyone was fascinated with the results!

CHILDREN IN NEED DAY

On Friday 18th November it is Children in Need day. Grove House will be participating by asking everyone to dress up in something spotty and donating £1 which will be given to the charity.

In addition we will have a "Pudsey Coin Fill" jar in reception for anyone wanting to donate their small change.

POPPY RELIEF

This morning some of our pupils walked to the Brentwood War Memorial to observe the Royal British Legion's Service of Remembrance. The pupils were a credit to our school and we are extremely proud of how they represented Grove House School.

GARDENING CLUB

Our green fingered children have been planting lasagne bulb pots. From next spring we will hopefully have a steady flow of flowers sprouting through.
