BUILDING UPDATE

Things are progressing with the building work. This week we took partial possession of the second floor in the Main block and are soon to furnish and equip our new Music room, ICT suite, and Art room. We anticipate that pupils will be using these rooms within the next couple of weeks. We hope to have handover of our new Senior Block next Monday. We are very much looking forward to inviting you to an open evening to look round our new rooms at a date to be notified over the course of this half term. Mrs Newton and Mrs Lang have worked extremely hard with getting our new Library ready. Thank you to Mrs Newton for drawing and painting our first piece of art work for the walls.

TUDOR DAY

On Wednesday 8th February Grove House had a visit from Henry V111! The children all had an amazing time learning how to joust. The event was very informative and the children especially enjoyed learning about the medical practices during the Tudor times.

SCHOOL COUNCIL MEETING

The School Council met during the last week before half term. The new school menu was discussed and it was decided that the pupils would like to try new types of food as tasters which our Catering Manager is currently carrying out. The School Council have also decided to have a reward table for children showing great table manners.

PARKING

We do understand that parking for parents is very tricky at the moment. We greatly appreciate that you are all doing your best to make it easier for everyone.
