### GARDENING CLUB

A massive thank you to 1<sup>st</sup> Warley Scout Group & Mr Scott for their kind donation of plants & Mr Bailey for the pots for our Gardening Club. The children enjoyed planting them & are now very much looking forward to looking after them and watching the plants flourish!

### TADPOLES

Class 2R were kindly donated some tadpoles by Mrs Smith which they are very much enjoying looking after. All the pupils used these tadpoles as part of their life cycle work. The children are very excited as some tadpoles are now turning into frogs. Once the frogs are fully grown they will return to their original pond.

### PPG FUNDING

We recently sent home a letter regarding extra funding the school receives for children eligible for a free school meals. Please don't forget to complete and return this form if your child is eligible whether or not they have a school meal. We would really appreciate the extra funding and we cannot do this without your help.

## AFTERNOON TEA

3P have been learning about British Etiquette, including table manners, greeting and social etiquette. To consolidate their learning Mrs Hall hosted an afternoon tea which the children thoroughly enjoyed and showed great understanding of table manners.

## GO BOYS

Following the very successful "All About Me" Girls programme, staff from the Brentwood Children's Centre will be in after half term to deliver the first "All About Me" Boys Self Esteem Programme.

## BUILDING WORKS

City Square, our appointed building contractors, will today begin erecting fencing and hoarding outside of the "Boys" entrance to the Sawyers Hall building. Works start in this building week commencing 31<sup>st</sup> May. Our existing school site remains safe and secure. The location of the builder's compound may well affect parents in terms of parking for collection and drop off at the school gate. We are in the process of trying to arrange additional parking and will update you as soon as possible.

## THE TIDES PROJECT

Paul Bamlett & Chelsea Cramp from The Tides project (Totally Inclusive Drama in Essex Schools) have been coming to Grove House the last few weeks to work with all the children in promoting tolerance and understanding.
