Dear Parents/Carers

Re: Trip to Tesco - Gallows Corner

We would like to take the children on a class visit to Tesco following on from our very successful and interesting visit last year. The children will experience and learn more about Food Technology as well as getting to meet people in the wider community. The following list provides the aims of the trip.

- Children will investigate wheat and its many uses as well as some popular harvest traditions.
- The class will explore seasonality and seasonal produce.
- They will learn about fruit and vegetables we enjoyed eating 100 years ago.
- Children will find out why it's important to preserve food after harvesting.
- They'll have the opportunity to taste and give their opinion about foods preserved by one of the oldest methods still in use today (ensuring their personal dietary requirements are adhered to).
- The need for a variety of foods and exercise for human good health.
- The environmental factors that affect what grows and lives.
- How humans affect the local environment.

The children will be travelling to Tesco at Gallows Corner Romford on Wednesday 1st November 2017. They will leave after registration and return before lunch. They need to be wearing their school uniform.

If you would like your child to attend please could you complete and sign the attached permission slip shown at the bottom of the page and return it to us by Friday 20th October.

Thank you

Mrs C Duniam
Science Class Teacher
