Coding Club	Mindfulness Club or Games Club (3E/3P/4H)	Colouring/Art Club or Games Club (2M/2R/3D)	Board Games Club	Library Club

We offer a variety of clubs during lunch time for our pupils. They are very popular with our pupils as they allow social interaction for our pupils across all age groups. On Fridays our Library club is run by Mrs Newton, Mrs Lang and Miss Peters (a volunteer from Becket Keys 6th form). The children do reading, quizzes and help catalogue our library books.

Building Resilience Workshop

On Wednesday 31st January the Children's Society are coming in to talk to parents and carers about building resilience in themselves and their child. This will take place at Grove House during our PTFA coffee & catch up morning at 9:15am. Please do come along as it will be a very useful session.

At Grove House we are looking to reduce our paper usage by sending out communication to parents & carer's electronically. Therefore we would like all parents to sign up to ParentHub. We have already started sending out letters, newsletters via this app to the parents who have signed up. This is a more cost effective, convenient way to send out information to our parents. Please help us reduce our carbon footprint and save the school money by signing up to ParentHub. Thank you.
