

KS2 Barleylands Trip

On Friday 23rd February our KS2 pupils enjoyed a fantastic trip to Barleylands in Billericay. This was a very interesting trip for our pupils as they learnt about wheat and how flour is made. They even had an opportunity to grind flour from wheat! Next they used white and wholemeal flour to make pizza which they took home to eat. They also saw lots of different animals and even got to feed them which they really enjoyed. However the best part was a ride on the tractor around the farm! Everyone had an amazing time!

KS4 Tate Modern trip

Last Monday our KS4 pupils went to visit Tate Modern in Southwark. They enjoyed the train journey into London and were amazed by the variety of art work displayed at the Tate.

Technology Block

We have been extremely lucky in that the building works to our technology block have been completed to a very high standard. The refurbished rooms look amazing and we are very eager to move in and begin to use the rooms.
