## School Council Meeting

Our school council recently attended a meeting and discussed various improvements for our school. Our pupils discussed the possibility of having more treats in the Tuck shop on Fridays. A letter will be sent to Mrs Timothy with some suggestions. A "running club" was also discussed and this suggestion has already been put into writing by our school council and submitted to Mrs Lee, our PE teacher. The school council are currently undertaking a pupil survey to choose further outdoor gym equipment for our school.

Dear Mrs Lee,

I am writing to you because us as councillor's, we would like to suggest a new club called "Running club". We would like your feedback on what you think on our new club where thinking off.

It's going to be used for running, and we could be used for people who just want a bit of exercise, some races or just a little of fun with their friends. It could also be used for peoples' physical and mental health, as in like if they want to get fit or when they come up a bad guy they can use their running skills to run as fast as they can.

I was also thinking that you could encourage people that don't normally do clubs to do it.

If you are able or not able to do it we would like it if we could have a note or a letter back to see what we can do going forward.
